EDUCATION

Mohamed Sathak Engineering College

Bachelor of Technology in Information Technology
2021/2025

COURSEWORK

Programming in java | 2023

I had completed a NPTEL course in "programming in JAVA" with elite certification.

Web Development | 2023

This certificate signifies completion of the "Web Development" course on Udemy, this course is currently in progress, covering front-end and back-end development, including HTML, CSS, JavaScript, Node.js, and MongoDB. Demonstrates proficiency in building dynamic websites and deploying web applications.

INTERNSHIP

Learnsmasher | Machine Learning | 2023

Duration : 30 Days

During this 30-day internship in machine learning, I had the opportunity to gain practical experience and deepen my understanding of machine learning concepts and techniques. Under the guidance of mentors at LearnSmasher, I contributed to real-world projects and collaborated with a team of experienced professionals.

Key Accomplishments :

developed and implemented machine learning models for Skin Cancer Detection using TensorFlow, Hate Speech Detection with Python, etc,.
